Here is good information to read before you sign up for a competition.

You register in the form on the webpage www.hbk.nu/medlem. You always need to register in the form, you can't register directly to the arranging club. Level 1: This is where you start if you never have competed before. When you reach at least 2 finals during the season you need to play level 3.

How do I know when I will play?

On badmintonsweden.tournamentsoftware.com you will find the draw to your tournament. There you will find who you will play against in your pool and time schedule. If you will play play off there will be more matches. Sometimes these are the same day or the day after. You can find this in your draw. Ask info@hbk.nu if you are unsure. I week before you can find the draw.

How does it work during the tournament?

Be in time! You need to warm up 30 minutes before you start. The secretariat will announce when and where to play.

You need your own raquet, training clothes, indoor shoes, water bottle and food with you.

You take responsibility to judge if the shuttle is in or out on your side. If you are unsure play "let", play it again. Parents can not judge.

You need to behave: Always thanks for the match, no swearing/screaming and you can't throw any raquet or other stuff.

During the tournament you will also be a score changer. The secretariat will announce this. Often after you have played your own match.

Club clothes

Use club clothes as much as possible when you play. In a final you always need to wear a club t-shirt. Order them here: www.hbk.nu/medlem.
